## IT'S LIZZIE OR LABOUR

I'm Lizzie Jewkes and I am an experienced local and national campaigner with a long history of working to improve people's lives. I am the candidate who puts people first and I will work with you to find solutions to the issues that affect you.

My team and I have been out in Blacon listening to residents' views. Top of the list are litter, jobs and housing.

If you elect me on the 20th April, I will push the council to make it a priority to create a brighter, cleaner, Blacon. I want to see street cleaning and verge

maintenance carried out on a regular basis and the introduction of dog waste bins across the area.

As your Councillor I will campaign alongside you for a fairer Brexit deal to protect jobs in the area and to create a more open, tolerant and united society for everyone.

I believe that all people should have the opportunity to fulfil their potential. This starts at home with safe, warm, affordable housing a basic requirement for everyone. I will work with all the organisations operating in Blacon to meet the needs of local residents.

Vote for a different kind of politics on the 20th April.

Vote for Lizzie Jewkes.

## BONKERS BREXIT

In June, Chester voted to remain in the European Union 57% to 43%.

Hard Brexit propped up by Jeremy Corbyn."

Lizzie Jewkes and the Liberal Democrats are campaigning to empower Blacon residents to have a final say on the Brexit deal.

Only Lizzie and the Liberal Democrats are demanding that the people should have the final say on Brexit.

Blacon Lib Dem candidate Lizzie Jewkes said, "We cannot trust the Tories or Labour to protect our economic growth and jobs. The people of Blacon should decide whether or not they want a Tory

Lizzie said, "Corbyn's decision to force through Article 50, when the Tories are determined to take us out of the single market is a betrayal of people in Blacon and Chester, whose jobs are reliant on our trade with Europe."

The Parade Enterprise Centre is one of many places in Blacon to benefit from EU funding.

## A BRIGHTER BLACON

Blacon has benefited from millions of pounds worth of investment over the last few years. From energy efficient homes to a new Parade, the money has been sloshing in. So why are the streets a mess, the bus service inadequate and drug-related anti-social behaviour blighting residents lives? Thanks to your Labour Council this year you will pay more Council Tax than ever. Lizzie will demand that money is well spent so it results in a better Community for you to live and work in.

## MORE CHOICE FOR YOU

As your Liberal Democrat candidate Lizzie is committed to empowering Blacon residents through consultation on the issues that matter to you. From campaigning to give people the final say on the Brexit deal, to investment in local groups and initiatives, voting Liberal Democrat gives you more say over the decisions that will affect your life.
